

## GRADUATE SEMINAR Summer Semester 2017

Time: Wednesday, 11:45-13:00  
 Location: Seminar Room (60819 SR)  
 Bruno-Sander-Haus, 8<sup>th</sup> Floor

15 Mar 2017 11:45am	<b>Helen Ward</b>	Reading University	Turbulence observations in urban areas
22 Mar 2017 11:45am	<b>Stephan Galos</b>	ACINN	Reanalysis of a ten year record (2004-2013) of seasonal glacier mass balances at Langenferner, Ortler-Alps, Italy
29 Mar 2017 11:45am	<b>Helmut Rott</b>	ENVEO IT and ACINN	Antarctic Field Campaign in Support of Satellite Data Analysis for Ice Sheet Topography
26 Apr 2017 11:45am	<b>Elke Ludewig</b>	ZAMG, Sonnblick Observatory	Sonnblick Observatory & ENVISON
3 May 2017 11:45am	<b>Christoph Schär</b>	ETH Zürich	High-Resolution Climate Modeling
10 May 2017 11:45am	<b>Dan Kirshbaum</b>	McGill University	On upstream blocking over diurnally heated mountain ridges
17 May 2017 11:45am	<b>Eric Pardyjak</b>	University of Utah	Investigating spatial heterogeneity of thermal circulations and turbulence in complex terrain
24 May 2017 11:45am	<b>Philipp Kneringer</b>	ACINN	Nowcasting of Low-Visibility Procedure States with Ordered Logistic Regression at Vienna International Airport
31 May 2017 11:45am	<b>Michael Kuhn</b>	ACINN	Probing the great Antarctic inversion – 50 years ago
14 Jun 2017 11:45am	<b>Pierluigi Calanca</b>	Agroscope, Zürich	Crop production in the Andes – Facing climate variability and change
21 Jun 2017 11:45am	<b>Felix Geiger</b>	DLR	TBA
28 Jun 2017 11:45am	<b>Emily Collier</b>	FAU Erlangen	Impact of spatial resolution and representation of supraglacial debris on valley-scale meteorology
